COMMITTED TO YOUR SUCCESS
An INGRAM MICRO Company

PIONEERING HOLISTIC DISTRIBUTION

aruba Training

Follow Cloud Harmonics' four simple steps - our unique "LPCM" Methodology of Learn, Practice, Certify, and Master, which is delivered through our purpose-built Orchestra Learning Platform.

Cloud Harmonics, pioneer of holistic distribution, delivers the broadest range of award-winning curriculum on next-generation technologies to enable you to gain the expertise and proficiency you need to confidently deploy and maximize the value of your IT environment.

Cloud Harmonics offers a full complement of courses on Aruba Networks solutions - from AirWave wireless management, to Aruba ClearPass, Switching Fundamentals for Mobility, as well as Aruba WLAN. All Aruba Training courses are delivered by vendor accredited trainers with real world experience and offer hands on labs.
